

Recommendations for shipping Wine, Beer and Spirits

Delivery time and address

When you register your products, you will receive an e-mail from us with a dispatch note containing all the important information about the delivery time and address.

Quantity of samples

Wine: 3 bouteilles étiquetées par échantillon

Beer: 3 bouteilles étiquetées par échantillon

Spirits: 2 bouteilles étiquetées par échantillon

There are no requirements for packaging type or capacity. You may send a bottle, can or any other type of packaging, with a capacity of 75cl, 50cl, 33cl or 25cl.

Import documents for deliveries - Out-of-EU shipping countries

Please use a parcel service provider such as DHL, UPS, FedEx etc. for shipping, not the local post office. A shipment by local post can delay the delivery by weeks because of the complicated customs process.

Each delivery must be accompanied by a commercial invoice/packing list with the following details:

General details:

- Your company name and address
- Consignee details: Armonia Deutschland GmbH, Frankfurt Interational Trophy, Im Niedergarten 10, 55124 Mainz, Germany
- Consignee EORI number: DE967767354832043
- Product name
- Weight single, total weight
- Single value -> customs value is 0,50 EUR
- Total value -> total value of shipment is less than 20.00 EUR (20 \$)
- Country of origin
- Signed invoice from a representative of the producer

Special information:

- HS Code (cheese only)
- Type of cheese (cow, goat, sheep etc.)
- Alcohol content (wine, beer, spirits)
- Degree Plato (beer only)

Additional required texts - Out-of-EU shipping countries

Pls add to all customs document:

"No commercial value - This is a sample consignment for professional tasting. The merchandise will not go on sale and is provided by the producer.

Please finish the goods based on the invoice submitted, the sample value is stated on the invoice."

Terms of delivery - Out-of-EU shipping countries

DDP Delivered Duty Paid (free delivery incl. customs clearance, duties and taxes).
